Philip Otte

### **Question (simple majority passage rate)**

Shall the City of Houston Lake continue the existing special tax levy of seventy three cents (\$0.73) per one hundred dollars (\$100.00) of assessed valuation for an additional period of four (4) years for fire suppression services?

YES

NO

## **VILLAGE OF IATAN**

**Trustee: two year term, vote for Three**

Alice Wendleton

Dianne Smith

## **KANSAS CITY**

### **Question 1 (simple majority passage rate)**

Shall the City of Kansas City, Missouri be authorized to renew the current tax levy of 22 cents per \$100.00 assessed valuation dedicated to ambulance services, emergency medical services, hospital and public health purposes for a period of nine years with the additional revenues to continue to be distributed as follows: the revenue derived from 3 ½ cents of the levy to ambulance services, the revenue derived from 3 ½ cents of the levy to non-for-profit neighborhood health centers, and the revenue derived from 15 cents of the levy to Truman Medical Center?

YES

NO

### **Question 2 (simple majority passage rate)**

Shall the City of Kansas City, Missouri be authorized to remove all existing exemptions from payment of the existing convention and tourism tax on transient guests, except the exemption held by the United States government, and to collect the existing tax of seven and one-half percent of the amount of sales or charges for all sleeping rooms paid by the transient guests of hotels, motels and tourist courts situated within the city, except for persons on United States government official business, in

order to provide additional funds for the promotion of convention and visitor business and neighborhood tourism and support of city owned convention and entertainment facilities?

YES

NO

**Question 3 (simple majority passage rate)**

Shall the City of Kansas City adopt an ordinance proposed by a committee of petitioners to prohibit the City from entering into, facilitating or giving permission for any future contracts whereby the City is directly financially involved in facilities that produce or procure components for, assemble, or refurbish nuclear weapons, except for outside infrastructure improvements customarily provided by cities and governmental services ordinarily provided to citizens, and also barring any future funding or subsidizing such facility through taxes, bonds, loans, tax credits, credit or any other financial scheme or mechanism?

The definition of such facility excludes providers of goods and services which were not produced for the purpose of nuclear weapons components production but which may be purchased by such a facility as a consumer.

YES
